Dr. Edward J. Boling, President
University of Tennessee
Administrative Building
Knoxville, Tenn.

Dear Ed:

Thank you so much for your letter of December 10, concerning the Gay People's Alliance. You can rest assured I am 100% with the Administration and feel that we should not tolerate such activity. I will look forward to discussing this with you and your staff at a later date.

Sincerely,

Marcus J. Stewart, M.D.
